

Our Children's Memorial Walkway ADOPT-A-BRICK Order Form and/or DONATION FORM

PAGE 1 of 2

Our Children's Memorial Walkway is made up of engraved bricks throughout the gardens, which houses cherry trees for shade, benches to rest on, sculptures of children at play and inscribed monuments. Surrounding *Our Children's Memorial Walkway* are greenways, swingsets, a field for play, and a playground. It is truly a place of life and hope in memory of Our Children.

Bricks along the walkway are available for adoption by parents, grandparents, siblings, or friends. This is a beautiful way to honor a loved one. Bricks have been adopted as a Memorial gift when a child has passed away or In Memory of him/her for an anniversary or birthday, and as a marker for families that may not have a burial place. Children of all ages and all causes of death are represented on the engraved bricks.
